What does your *personal*  
pursuit of the Lord (via  
the Word) look like?

When it comes to reading the Bible as a family, what have been some of your best practices for \_\_\_\_\_?

1. Young Children
2. Elementary School
3. Pre-Teens & Teens

# When it comes to kids reading the Bible, a big obstacle can be their attention spans.

- How do you keep kids engaged without compromising on content?
- Reading the Bible together can be fun - it doesn't have to be boring!

What are some of your  
*favorite* memories when  
it comes to reading the  
Bible as a family?

How do you encourage older children to start having *solo* quiet times, encouraging them to grow in discipline, without forcing your faith upon them?

What does it look like to  
maintain *spiritual unity*  
as a family when kids are  
getting older and going  
off to college?

How do you *engage* with  
your adult children on a  
spiritual level?

What does it look like to  
engage with your  
grandchildren?

How can grandparents be  
*helpful partners* for parents  
who want their kids to grow in  
a love for God's Word?

What if my child has learning difficulties and hates reading? Are there ways to engage God's Word together in a fun and exciting way?

How do you incorporate the Bible into daily life, in addition or in place of a more traditional 'Bible Study Time?'  
How does the Bible become a natural element in the *rhythm* of your family's life?

What *resources* do  
you use?
